## Missions Faith Promise Update

Our church has two separate budgets; one covers our ministries, like Keepers of True Faith, salaries and building expenses. The missionary budget is separate and goes specifically to missionaries and Christian outreach organizations, locally, throughout the US and overseas.

A Faith Promise allows the Missionary Committee to prayerfully create a budget for 2022 and commit to donating to specific missionaries and organizations monthly. The amount is whatever God is leading you to give. The amount will only be recorded, (if you ask Susan in the office), by way of tithe envelopes, for your tax records.

**Faith Promises as of November 19<sup>th</sup> total \$32,582!  
2021 Missions Budget was \$56,080**

## Ride from Dover

Beth Dunham would like to attend church, but needs rides from Dover, she is not far from exit 8. If you can help out, even if only every other week, contact Susan (603) 767-5015

## All Committees –2022 Budget Requests

Please contact Bruce Vinciguerra with any budget requests for all committees for 2022 as soon as possible.

## Building Use

So grateful to have the children ministries and other activities up and going again! Just a reminder to everyone that uses the church... please let the office know if you are planning, setting up or having any event in the building, other than the weekly scheduled events, so we can coordinate with other groups, schedule cleaning, heat and plowing.

Dear Wonderful Prayer Laborers,

Once again our Lord has proved so faithful in providing even above and beyond what we ask or think! We rejoice to report that we received a phone call from a supporting church yesterday telling us that **they voted to send a gift that will more than cover the \$6,000 needed for the dining room construction of the Ministry Center in Caballo Cocha, Peru! God is so GOOD!**

The Pastor of the church in Caballo Cocha who first approached us about this need had actually calculated later that they would need around \$10,000, but we told him we would try to raise \$6,000 and they would have to see how they could cut costs and raise the remaining funds needed themselves. So they have been doing as much work as possible themselves and also doing what they could to raise more funds down there. Therefore, the

## Winter Cancellations

As we enter the winter months there is always the possibility that large winter storms will force us to have to cancel our Sunday services as in years past. In the event of such occurrences, the Pastor and Board of Deacons have implemented a Saturday evening worship service that would take the place of the canceled Sunday services. This will happen only if we foresee that the Sunday service will have to be canceled.

The information for the Sunday service cancellation will continue to appear on the church web-site [calendar \(truememorial.org\)](http://calendar.truememorial.org) as well as WMUR-Channel 9. In such an event we will meet on Saturday evening at 4 p.m. The purpose behind this is so that we do not have to miss Sunday Worship, and possibly even multiple Sunday Worship services during the winter months as in years past, and we will continue to be able to meet and worship on a weekly basis without interruption.
