 January 9th 2022!

Romans 1:20 *"For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse."*

We see evidence in God's workmanship everywhere we look. Each time Paul visits he focuses on another aspect of science backing up God's Word. This is an event for ALL ages.

Be here 10:45 AM on January 9th
 Bring your notebook!

Rev. Paul Veit is a graduate of Nyack College and Denver Seminary. He is pursuing on-going paleontological training at the Mount Blanco Fossil Museum. He is ordained in the Christian and Missionary Alliance and is licensed as an evangelist. He is the Founder and Director of Declare God's Wonders, Inc., an evangelistic ministry, and The Dinosaur Encounter, a Creation Learning Center.
