Attitudes by Charles Swindoll

The longer I live, the more I realize the impact of attitude on life. Attitude is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change the fact that people will act a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude.

I am convinced that life is 10% of what happens to me and 90% how I react to it. And so it is with you:... we are in charge of our attitudes.

Operation Christmas Child

Shoe boxes are filled with small gifts, sent to Samaritan's Purse, the message of Salvation in the child's own language is added, then the boxes are delivered throughout the world to children in need. In many areas a weekly Bible study is then offered.

Each year people in True donate their own boxes or send in items, and volunteers here at church assemble many boxes! Start looking for sales now! If you see any of the items listed below, collect a bunch of them! Later this year we will have a collection box in the foyer. For more information go to samaritanspurse.org

Include in boxes: toys, personal toiletry items, washcloths, crayons, pencils, paper, socks and such. Add a "Wow" item! Something like a doll, beading kit, ball or other spectacular item. No war toys, candy or toothpaste.

**In February, we will focus on wash cloths,
hairbrushes/combs and Slinkys!**
