There is a notice in the glass bulletin board regarding proposed wording in the Church Constitution for Pastor's vacation and Nominating Committee. These will be voted on in the April Business Meeting.

Join us to see what God made in the sky!

We'll begin inside for a brief overview of what is in the night sky, consider some basic science of the celestial creation from a Christian perspective, and learn about some tools and equipment used to observe the skies. After it gets dark we'll have a couple of telescopes set up in the parking lot to view God's breathtaking creativity. If you own a telescope or binoculars, we encourage you to bring them. We will begin at 6:30 p.m. on Sunday, April 12th, with an inclement weather date of Sunday, April 19th. Question? Ask Bob Hart (207) 351-5964
